

Panitia Pelaksana
8th International Conference on Biosciences and Biotechnology
"Bioscience & Biotechnology for the Sustainable Life"
Jl. P.B Sudirman Denpasar, Universitas Udayana, Gedung Agrokomples, lantai 2

Nomor : 002/ICBB8/07/2017
Lampiran : 3 berkas
Hal : Undangan Pemakalah dan Peserta Seminar 8th ICBB

Kepada
Yth. Dekan Fakultas Ekonomi Unud
di-
tempat

Dengan hormat

Fakultas Pertanian, Universitas Udayana berkolaborasi dengan *Asia Oceania Bioscience and Biotechnology Consortium (AOBBC)* akan menyelenggarakan seminar ***International Conference on Biosciences and Biotechnology*** yang ke-8 dengan tema "*Bioscience & Biotechnology for Maintaining World Prosperity for the Sustainable Life*", sebagai salah satu rangkaian HUT FP ke-50 dan BKFP ke-39. Sehubungan dengan kegiatan tersebut, kami mengundang Bapak/Ibu untuk berpartisipasi sebagai pemakalah atau peserta pada seminar ini. Seminar internasional ini akan diselenggarakan pada:

Tanggal : 14-15 September 2017
Waktu : 08.00 - 17.00 WITA
Tempat : Aula Utama Lt.3 Gedung Pascasarjana Universitas Udayana
Jl. P.B. Sudirman, Denpasar, Bali

Kami mohon bantuan kepada Dekan untuk menyebarkan informasi mengenai Seminar ***International Conference on Biosciences and Biotechnology*** yang ke-8 ini kepada seluruh kolega terkait. Informasi lebih lanjut mengenai seminar ini (terlampir) dapat diakses pada: <https://www.unud.ac.id/> atau melalui email: icbb@unud.ac.id.

Demikian undangan ini kami sampaikan. Besar harapan kami Bapak/Ibu dapat berpartisipasi pada seminar ini. Atas perhatian yang diberikan, kami ucapkan terima kasih.

Hormat Kami,
Ketua Pelaksana

Dr. Ir. I Dewa Putu Oka Suardi, M.Si

Panitia Pelaksana
8th International Conference on Biosciences and Biotechnology
"Bioscience & Biotechnology for the Sustainable Life"

Jl. P. B. Sudirman Denpasar, Universitas Udayana, Gedung Agrokompak, lantai 2

BACKGROUND

Bioscience and Biotechnology has developed very fast and influenced many aspects of our life, included food and agriculture, forestry, fisheries and marine affairs, veterinary and animal husbandry, health, medicine, environment, electronic and ICT, and others. The faculty of Agriculture, Udayana University in collaboration with Asia-Oceania Bioscience and Biotechnology Consortium an Indonesia Plant Pathology Association of Bali, supported by Centre Laboratory for Genetic Resources and Molecular Biology, Udayana University and Aizu University Japan, proudly present The 8th International Conference on Bioscience and Biotechnology which will be held on September 14-16, 2017 at Udayana University, Bali Indonesia. The conference aims to bring together researchers, scientist, industries, governments, and students from various disciplines as mention above to share and discuss their experiences, idea, research project, on bioscience and biotechnology. The conference will bring together Udayana University scientists and international scientists to discuss on collaboration for the improvement of research and problem solving in area of Bioscience and Biotechnology.

TOPICS

Topics of this conference included: agriculture and food technology, health and medicine, environmental science and technology, veterinary and animal husbandry, bio-economic, molecular biology, gene technology, and others.

PARTICIPANTS

Around 200 participants are expected to attend this conference under the same base of Universities lecturers, Students, and General participants

VENUE

The conference will be held from 14-16 September 2017 at Postgraduate Building of Udayana University and the field trip will be held on September 14th. This field trip will visit Ubud, Kintamani, Goa Gajah, and Tula.

KEYNOTE SPEAKERS

Prof. T. Yamamoto, Ph.D.

Former Professor of
 Yamaguchi University

Dr. Igor S. Lomak

International Rice

Prof. Dr. Natalia Dolzhenkova

Research Institute
 Lomonosov Moscow
 State University, Russia

Abstracts for oral and poster
 presentation should be send via
 registration form.

Importants Date

Deadline for abstract submission
 July 30th, 2017

Accepted abstract notification
 August 15th, 2017

Deadline for full paper submission and
 poster
 August 20th, 2017

Deadline for normal registration
 August 20th, 2017

all abstract will be accepted, but
 accepted oral will be limited and will be
 announced at August 30th 2017

authors of accepted abstracts will have
 the opportunity of publishing their
 associated paper in the official
 conference proceedings, and all
 accepted full paper will be publish in the
 International Journal of Bioscience and
 Biotechnology

INVITED SPEAKERS

1. Prof. Takao Tsunoda

Aizu University, Japan

2. Dr. Agus Kurni

IPB, Philippines

3. Prof. Dr. Arwen Tap

Queensland University
 of Technology, Australia
 University of Arden,
 Malaysia

4. Prof. Bambang Djuganti

Aizu University, Japan

5. Prof. Gertjan Tekamp

Udayana University,
 Indonesia

6. Prof. A. I. P. Priscilla W. de, Ph.D.

Escalado Institute of
 Technology

7. Dr. Debra S. Hembelgum

University of Jordan,
 Jordan

8. Dr. Nabil M. Alkhalaf, S.D.

ISE Super (PS) France
 Telecom

9. Dr. H. Made Genta, MSc.

IPST

10. Dr. Dewi Suljandari

IPST

11. Dr. Samsul, M.Si

Department Institute of
 Molecular Biology, Russia

12. Anis Kusumawati, Ph.D.

Udayana University,
 Indonesia

13. Dr. Eng. Himmawan Tohappi, MSc.

SPECIAL PRESENTATION

Research Grant and Scholarship by Prof. T. Yamamoto - JSPS
 Research Fellow
